Dear Friends,

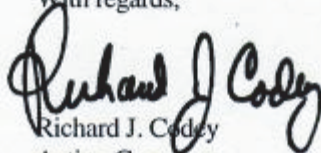

It is my pleasure to extend warm greetings and offer my congratulations to Cinelli Iron and Metal Company on your recognition as a semifinalist in the Over \$10 Million Category of the Rothman Institute of Entrepreneurial Studies Family Business of the Year program.

The health of the family-owned business community is vital for a strong New Jersey economy. Established in 1993 by the Rothman Institute of Entrepreneurial Studies, the Family Business of the Year Awards program honors multigenerational family-owned companies and the significant role they play within our local and Statewide communities.

On behalf of the State of New Jersey, I would like to commend the staff at Cinelli Iron and Metal Company for your efforts in helping the Garden State maintain a strong, resourceful, and vibrant economy. You may take great pride in the professional accomplishments that have earned you this special recognition.

Once again, congratulations and best hopes for continued success. My Administration is committed to providing a State government that works for all the people of New Jersey. With stability and dignity, we have the power to make our lives better.

With regards,

  
Richard J. Codey
